

CABIN

POP QUIZ

When looking for an environmental position, which is most important?

- A.** Super fun and challenging work environment;
- B.** Diverse scope and size of projects;
- C.** Kick-ass company culture, or
- D.** All of the above.

HELLO

How the heck are you? We are super, thanks so much for asking! Cabin is expanding its Environmental Division in the Okanagan and we want to work with you! Are you an ecologically-minded individual who likes being outside? Do you enjoy enhancing habitat, stabilizing slopes and restoring waterways and lands? Well, look no further for engaging, fun and adventurous work!

If you are interested in a position with CABIN please apply here:
